5) A sum of Rs 1000 2-0 is due by the Srirangapatam Dm. Mtl. Council to the P.W.D. in respect of lodging up the Fort area at Srirangapatam for the years 1934-35-36 & 35-36. The Dm. Council had agreed to contribute a sum of Rs 1500 a year towards the works but which was executed by the P.W.D. As the pilgrim tax was abolished with effect from 1.7.36 it was not possible for the Dm. Council to meet its obligations and hence there default.

6) The financial condition of the Dm. is very unsatisfactory. There may be some improvement in its finances next year due to the proposed revival of the pilgrim tax but the realisations have been ^{separately} ordered to be earmarked towards the repayment of the water supply loan due by it, which was also recommended to be waived. It also owes large amounts of annual maintenance charges of the water works.

7) It is for over of the the amount question is Rs 1000-2 due by the Srirangapatam Dm. Mtl. Council may not be waived in consultation with the P.W.D.

8) The rule on Dm. Council's minute relating to lodging up the Fort area is also put up for consideration.

far from satisfactory. But with the revival of the pilgrim tax from the next year which appears to be under separate consideration of Government, the condition of the Municipality is likely to be improved financially. The contribution due to the P W Department by the Municipality may therefore be asked to be paid in easy instalments of Rs 250/- or Rs 200/- within four or five years so that the loss to Government which the wholesale write off of the amount would otherwise involve if sanctioned, may be averted.

Sir,

Subject - Re the adjustment of out-lay incurred by the Public Works Department on behalf of Mandya and Seringapatam Municipal Council

With reference to your letter No L 7053-64 dated 3-3-39 to the Deputy Commissioner, Mysore District on the above subject and in continuation of this Office letter No A5 162/39-40 dated 6-12-39, I have the honour to state that a reference was made to the Executive Engineers of Mandya and Mysore Divisions to intimate the expenditure incurred on behalf of the Mandya - Town Municipality. The Executive Engineer, Mandya Division in his letter No D O 459 dated 14-6-40 addressed - to the Superintending Engineer, Mysore Circle (copy enclosed) states that for want of the required references no information could be given on the Subject. Neither any further information has been received from the Public Works Department nor the claim has been pressed. In the circumstances, no further action seems to be necessary in the case of Mandya Town Municipality.

2 As regards the payment of the amount due by the Seringapatam Town Municipality, I invite kind reference to the Mysore Deputy Commissioner's letter No D3 476/36-37 -- dated 23-12-36 (enclosed in the file) regarding the share of contribution due by the Municipality for cleaning up the fort area(copy enclosed for ready reference) In this connection, a recommendation was made by the Deputy Commissioner Mr B S Mahavendra Rao, in his letter No A5 162/39-40 dated 6-12-39 to waive the claim of the Public Works Department No Order has been received so far either on that recommendation or on the reference made by the Deputy Commissioner Mysore District

3 The Executive Engineer, Mysore Division in his letter No 672 dated 27-10-1942 addressed to the Superintending - Engineer, Mysore Circle, has again pressed for the adjustment of the amount due by the Seringapatam Town Municipality A report was called for from the President, Seringapatam Municipality In his report dated 21-1-42(enclosed in the file) he has stated that the Deputy Commissioner, Mysore was requested to recommend for waiving the claim of the Public Works Department and that no reply was received from Government so far - The Municipal Council had resolved on 25-9-39 that owing to the abolition of the Pilgrim Tax since 1936, they had lost the income they were realising by the levy of the Tax as a consequence of which, they could not keep up to their undertaking of giving a grant of Rs 1,500/- every year towards the improvement of the fort area They requested that the claim of the P W Department might be therefore be waived It is on these

on these considerations that a recommendation was made by the Deputy Commissioner, Mysore District on 23-12-36 and by this Office in December 1939 for kindly waiving the contribution due by the Municipality

4 It is needless for me to say that the financial position of the Seringapatam Municipality is very unsatisfactory and no useful purpose would be served by the Public Works Department pressing the adjustment of the claim

5 In the circumstances, I request you kindly to obtain sanction of Government to waive the claim of the Public Works Department

6 The connected papers received from the President, Seringapatam Municipality, on the above subject, are enclosed for kind reference and return

Letter No D3 476/36-37 dated 23rd Decr 1936 from the Deputy Commissioner, Mysore District to the Secretary to Government, Development Department, Bangalore

Subject -Share of contribution due by the Seringapatam Town Municipality for cleaning up Fort and other parts of Town and Ganjam

In forwarding herewith the file of correspondence ending with report No H C 102/36-37 dated 3rd December 1936, from the President, Seringapatam Town Municipal Council, re the above I have the honour to state that the Municipal Council of Seringapatam Town at the meeting held on 9th November 1933, agreed to pay their share of contribution of Rs 3,000/- for cleaning up the Fort and other parts of the Town and Ganjam. They had also resolved on 16th November 1934, to pay a sum of Rs 1,500/- per annum towards the above work provided a similar amount was granted by Government. After taking credit for the Municipal Contribution Government in their Order No L 8740-43/M1 - 57-34-9 dated 15th May 1936 were pleased to sanction an additional grant of Rs 3,787/- to cover the total outlay viz, Rs 5,787/- incurred by the Public Works Department, towards the above works, till the end of June 1935.

Out of the grant of Rs 1,500/- sanctioned for Seringapatam Town Improvements during the year 1935-36 in Government Order No L 2821-31 M1 113-35-2 dated 18th October 1935, a sum of Rs 1,000/- only was -
~~drawn~~

P T O

was drawn on 24th June 1936 by the President and kept in the C B account, as this amount has been ear-marked for the improvement of Ganjam. The balance of Rs 500/- should have been drawn and credited to Public Works deposits towards the arrears of contribution. The omission to draw the amount is explained as due to oversight.

From the letter No 91 dated 1st September 1936 received from the Executive Engineer, Mysore Division (copy of which is enclosed in the file) it is seen that a sum of Rs 3,000/- being the share of contribution due from the Municipality for the years 1934-35 and 1935-36, has to be adjusted towards the Public Works Deposits. The Municipal Council at the meeting held on 30th July 1936, have requested the Government to kindly waive the entire contribution of Rs 3,000/- as the municipality is in a bad financial position on account of the abolition of pilgrim tax from 1-7-36. By the abolition of this tax, the Municipal Council have lost an average income of Rs 3,000/- per year.

Under these circumstances, I request that sanction of Government may kindly be obtained for waiving the entire amount of contribution viz., Rs 3,000/- due to Public Works Department.
